OUR MOTTO: We Searched The World For You, Starting In Our Own Backyard!

OUR FOCUS: Providing locally manufactured products that are not readily available through mainstream channels of distribution.

OUR MISSION STATEMENT: To Provide Unique and Remarkable Food Products. To be sure that the products we sell meet the highest standards of quality, being of an artisan origin and made of natural, wholesome & or organic ingredients.

OUR GOAL: To consistently provide our customers with excellent service by demonstrating efficiency, knowledge, professionalism and integrity in our work.

ARS Foods Inc is a different type of company. There's pride in offering exceptional personal service. We provide the Food Industry with something different.

We work with small artisan manufacturers across the province of Ontario and Quebec, making available for distribution only the finest quality products available today!
Filling in the gaps in distribution that are not already being looked after or readily available otherwise, your success is guaranteed.
